Dear Mr. Toni:

On June 16, 2003, representatives of the United States Environmental Protection Agency (U.S. EPA) inspected Belmont Plating Works (Belmont) located in Franklin Park, Illinois. After the inspection, U.S. EPA issued a Notice of Violation to Belmont on December 27, 2004. Subsequent to our Notice of Violation, Belmont submitted additional information regarding the identified violations in correspondence dated January 25, 2005.

This letter is to inform you that U.S. EPA has reviewed the referenced responses, and does not plan additional enforcement action at this time. This letter does not limit the applicability of the requirements evaluated, or of other federal or state regulations. U.S. EPA and the Illinois Environmental Protection Agency (IEPA) will continue to evaluate your facility in the future.

If you have any questions or concerns regarding this matter, please contact Judith Kriz of my staff at 312-353-6057.

Sincerely,

A handwritten signature in cursive script, reading "Lorna M. Jereza", is written over the typed name.
